For Immediate Release

06/30/2020

On behalf of Ford County Road and Bridge Superintendent Chris O'Neal.

113 Road Closing Starting July 13th

113 Road will be closed to traffic between Comanche Road and Wyatt Earp Blvd starting July 13, 2020 through July 17, 2020 for construction work.

- Southbound traffic on 113 Road will be detoured to Comanche Road and will be inaccessible from Wyatt Earp Blvd due to complete road closure.
- Be aware that there may still be occasional delays for traffic travelling southbound at the intersection of Comanche and 113.
- Traffic control will be present while work is performed at that intersection.

113 Road will be closed to traffic between US Hwy 50 and Comanche Road July 20, 2020 through July 24, 2020 for construction work.

- 113 Road will be inaccessible from US Hwy 50 due to complete road closure. Northbound traffic on 113 Rd will be detoured to Comanche Road.
- Be aware that there may still be occasional delays for traffic travelling northbound at the intersection of Comanche and 113.
- Traffic control will be present while work is performed at that intersection.

Work for this project will include overlaying with new asphalt and temporary traffic marking. All timelines are subject to change due to weather.

Residents and Emergency vehicles will have access to the properties throughout the entire project. Local residents are encouraged to plan for delays due to construction. We request your cooperation and patience.
